

Central & West Fife Agricultural Society are looking for YOU!

We would like you to design a farm picture for the cover of our annual show catalogue. Our show is not only a competitive event but also gives a snapshot of farming life in the West Fife area.

We have lots of exhibits at the show, which is held on the 1st Saturday in June, at Hilton of Beath Farm, Kelty, including cows, sheep, goats, hens, ducks, horses, tractors, machinery, showjumping, dog show, tug-of-war, arts & crafts together with lots of different locally produced food & drink.

We want YOU to capture the image of our show.

We have 2 age categories, P1-3 & P4-7.

There will be a 1st, 2nd & 3rd prize for each age category who will all receive free admission to the show together with 1 accompanying adult.

The two 1st prize posters will be printed on the front cover of our show catalogue and will also be displayed at the show, together with the remaining prize winners' posters.

We would also ask that the prize winners be available for a photo that will feature in the local press.
