BVD Declaration Form

We would like to remind Exhibitors that ALL cattle must come from a CHeCS accredited herd or have been individually tested negative for BVD antigen. All relevant paperwork **must** accompany stock.

ONLY BVD negative cattle can be shown.

If you are Negative, please bring a copy of your accreditation certificate along with your passport(s) or email it to me with your entry form. If you are **Not Negative** each animal must be individually tested. Please attach a copy of your test results to the entry form and fill out the section below. Thank you.
